Services We Offer

Hotel Website Design & Redesign

Modern, responsive websites that drive more direct bookings.

Search Engine Optimization (SEO)

Boost hotel's visibility on Google and attract more guests.

Guest Review Management

Monitor and manage to reviews to build trust and boost ratings.

Google Ads & Meta Ads Management

Target the right travelers with optimized ad campaigns.

Social Media Content & Strategy

Engaging content that turns followers into loyal hotel guests.

Booking Engine Integration

We help to integrate booking engine to the hotel website.

How It Works

1

Join the Program

Join the Referral Partnership Program. We'll provide a simple referral agreement to get you started.

2

Refer Your Contacts

Introduce our services to your network of business owners or decision-makers via email, phone, or in-person conversations.

3

Engage and Close

Connect with the potential prospects from your network and offer our digital marketing or website development services & close deal.

4

Earn Your Commission

Once the referred client pays their first invoice, you'll receive a 20% commission directly to your account within 7 business days.

The Opportunity

Our Referral Partnership Program is designed to be simple and rewarding, leveraging your personal connections to create value for everyone.

About Oneskai

We're a specialized digital marketing & website development agency that helps hotels, resorts, homestays, and service apartments boost direct bookings, enhance their online reputation, and optimize their digital presence.

Why Our Services

We build stunning, user-friendly, and SEO-optimized websites that turn visitors into customers.

Our expert SEO, PPC, social media, and content marketing services drive measurable traffic and sales growth.

We deliver results that delight your referrals, ensuring they thank you for the introduction.

Let's build a win-win collaboration that grows with every referral you make.
